

# L Whale Parent Council Updates

---

30/03/2021

# P7 Transition

---

Parental Information Evening has taken place.

**Team Around The Cluster Meetings** have taken place throughout the year – 3 so far and 1 more to go. Key information is shared here as well as our transition strategy.

**ASL service** involved and Enhanced Transition is being planned.

**Three Day Visit** will be virtual this year. L Whale is meeting with GPS and community partners this week to discuss.

**Information sharing** is taking place now and will be inputted into our ASN Database. We are using the new SEEMiS report and our own additional spreadsheet.

# Engagement

---

Second round of tracking has taken place and we had some great improvements especially in our BGE.

We have identified the pupils who have not engaged well and shared the names with staff.

Key pupils in S4-6 are being targeted for meetings with the Pupil Support Team.

Key S3 pupils are being targeted for additional Literacy Intervention and catch up after the April holiday.

# BGE Wellbeing Base

---

BGE Wellbeing Base has been set up and is now running.

Supporting 7 pupils at the moment but we are going to expand this as the year goes on.

Pupils are being supported with their social, emotional and behavioural needs – as well as been supported academically to achieve in school.

Some real successes so far and the pupils are really enjoying the support.

# RRSA and Equalities Policy

---

RRSA reassessment will take place in June for our gold level of the award.

New Equalities Policy will be launched in May. This includes an equalities calendar for the year as well as an equalities curriculum tracker.

The new equalities policy also deals with anti-bullying and equalities issues.
